On behalf of Chinese Consulate General in San Francisco, I would like to extend my warm congratulations to the grand opening of the Chinese New Year in the Desert celebration in Las Vegas on February 9, 2016.

The year 2016 sees the 5th celebration of Chinese New Year in the Desert, which is also an important part of the series activities of Happy Chinese New Year celebrations around the world. Thanks to the great efforts of the organizer of CNY and the support of the State of Nevada and the Las Vegas Convention and Visitor Authority, and with the mass participation of local communities of all ethnic groups, CNY in the Desert has become a celebration not only for the local communities but also for the friends from all over the world. I sincerely appreciate the hard-workings of everyone who has contributed in making the CNY in the Desert a great event, and wish everyone enjoy the celebration as much as I do.

Wish the 5th Chinese New Year in the Desert a great success and wish everybody happy Chinese New Year!
