**Greetings From The Office of Councilman Steven Seroka**

January 26, 2018

As City Councilman of the City of Las Vegas, I am honored to welcome you to the seventh annual Chinese New Year in the Desert Celebration. This event is an excellent opportunity to experience this amazing culture. I would like to say thank you to all who exerted great effort to coordinate this festival.

While it is known as Chinese New Year – it is celebrated in many places with Chinese populations, and is known as the Spring Festival based on the Lunar calendar. This celebration will include music, dance, art and other performances. Your commitment to sharing this culture adds to Southern Nevada allowing Nevadans to experience your rich history and traditions.

Again, welcome to the festival honoring Chinese New Year and the Year of the Dog. I hope you enjoy yourself and the many events being showcased for you. I wish you good luck, happiness, good health, good fortune and prosperity in your future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven G. Seroka".
